

The solicitation is amended as follows:

1. Delete paragraph C.1.V.F.2 in its entirety and replace it with the following:

“The Contractor shall establish three local area networks (LANs) as separate and independent from Oak Ridge. The LANs shall be available for use by the infrastructure and remediation contractors as well as onsite subcontractors and the DOE Site Office (as stated in C.1.V.N) at the Portsmouth Site. The LANs shall be configured to allow separation of multiple users. LAN support includes operation, maintenance, data backups, repairs and upgrades to the LAN system and components as necessary to provide reliable and ongoing connectivity. Basic operating software shall be provided for usage of the LANs by the parties indicated above. Network administration, customer service support, “help” desk support, and computer repairs shall also be provided for the infrastructure and remediation contractors at the Portsmouth Site as well the DOE site office (as stated in C.1.V.N) at the site. Customer service support includes unpacking, installation, testing, removal of personal computers (PCs) and related components and software installation, removal, or upgrades as necessary; ensuring operability between PCs and peripheral devices, the LAN and the Wide Area Network (WAN); and providing personal interface in assessing user needs through personal visits and telephone.

The Contractor shall provide, maintain and repair T-1 data lines between the DOE Lexington office and both sites as well as maintain and repair the existing T-1 line between the Portsmouth Site and the Paducah Site to establish a WAN between the three locations. Basic operating software shall be provided to support WAN usage by all parties listed above and allow input into DOE data systems. WAN support includes operation, maintenance, data backups, repairs and upgrades to the WAN system and components as necessary to provide reliable and ongoing connectivity. The Contractor shall route the T-1 lines onsite at Portsmouth to each of the current LANs.

2. Refer to Section C.2.V.D.4, delete “(approximately 611.9 acres)”, and replace with “(estimated 675 acres).”
3. Delete paragraph C.2.V.F.2 in its entirety and replace it with the following:

“The Contractor shall establish three local area networks (LANs) as separate and independent from Oak Ridge. The LANs shall be available for use by the infrastructure and remediation contractors as well as onsite subcontractors and the DOE Site Office (as stated in C.2.V.N) at the Paducah Site. The LANs shall be configured to allow separation of multiple users. LAN support includes operation, maintenance, data

backups, repairs and upgrades to the LAN system and components as necessary to provide reliable and ongoing connectivity. Basic operating software shall be provided for usage of the LANs by the parties indicated above. Network administration, customer service support, "help" desk support, and computer repairs shall also be provided for the infrastructure and remediation contractors at the Paducah Site as well the DOE site office (as stated in C.2.V.N) at the site. Customer service support includes unpacking, installation, testing, removal of personal computers (PCs) and related components and software installation, removal, or upgrades as necessary; ensuring operability between PCs and peripheral devices, the LAN and the Wide Area Network (WAN); and providing personal interface in assessing user needs through personal visits and telephone. The Contractor shall maintain and repair T-1 data lines from its entry to the Paducah Site. The Contractor shall route the T-1 lines onsite at Paducah to each of the current LANs.

4. Refer to Sections C.1 and C.2, paragraph V.N.7, insert "and" between "Kentucky," and "the", and delete "and its own LAN system on the site." The portion deleted is already covered in paragraph V.F.
5. Refer to Sections C.1 and C.2, paragraph V.N.7 and delete subparagraph (i) and on C.2 only renumber (j) as (i).
6. Delete Attachments A(1) and A(2) to Section J and replace them with the attachments to this amendment bearing the same numbers.
7. Refer to L.12 (b) and replace the proposal due date of "February 25, 2004" with "March 10, 2004."
